Swami Vivekanand Nagar ,Lahara Road Gaispura, Ludhiana

## OBJECTIVE STATEMENT

Doing BCA with a passion for coding and technology. Seeking an entry-level position in software development where I can apply my skills in C++, web development, and problem-solving to contribute to the company's success while gaining hands-on experience

## EXPERIENCE

### Project

#### Hospital Management System Project

Developing a system for booking patient appointments, viewing doctor availability, and online payments. The project includes three interfaces (Admin, Doctor, Patient) where doctors can manage appointments and patients can view their medical history.

- **Role:** Developer, Team Leader
- **Technologies Used:** C++, HTML, CSS, JavaScript

#### Currency Converter

Developed a basic currency converter that converts Indian Rupees to US Dollars using C++. This project helped me gain a deeper understanding of C++ programming and basic arithmetic operations.

- **Role:** Developer
- **Technologies Used:** C++

## EDUCATION

### Bachelor of Computer Applications(BCA)

Guru Nanak Institute of Management and Technology, Gujarkhan Campus, Gujarkhan RoadModel Town, Ludhiana

09/2022 - Present

- Coursework: Advanced Programming Languages, Algorithms and Data Structures, Computer Architecture, Operating Systems, and Network Security.
